THE ROHNERT PARK ~ COTATI MOTHERS' CLUB

Introduction to our Club features

OUR HISTORY

The Club was originally founded in 1992 by a group of mothers interested in fostering support in parenting and a sense of community for women and their children. The group is a non-profit organization funded by annual dues and fundraisers. Members have always been encouraged to take what they need and give what they can, which provides a wonderful opportunity to share talents and skills.

The following is a partial list of services and activities available to our members:

PLAYGROUPS

This is often the main attraction for many Moms! Most playgroups are small groups of mothers and children organized by similar ages and usually meet weekly. Playgroups offer a great opportunity for moms and kids to socialize and develop supportive friendships.

SOCIAL EVENTS

These events are planned with the whole family in mind. Events have included Easter picnic and Easter egg hunt, Halloween parties, Winter Holiday parties with Santa Claus and Summer picnics.

NEWSLETTERS

These are sent out to all members at the beginning of each month. They cover Club business, upcoming events, topics pertinent to parenting, children, craft/activity ideas. All members are welcome and encouraged to present submissions for the newsletter.

IN-A-PINCH

This service is designed to help expecting moms, moms with newborns, and moms and their families in need of any help such as running errands, meals, babysitting, etc.

EDUCATIONAL ACTIVITIES

These field trips help teach our children about the world around them. Past themes have included Safety (Fire & Police stations); Factory tours (Jelly Belly, Cheese factory, stickers); Trial lessons (gymnastics, dance, music); Transportation (airport, Train Town); Water Fun (Water slides, Russian River); Fall Harvest Activities and more!

GENERAL MEETINGS

The Club holds its' general meeting one evening each quarter. The time and location are announced before each meeting. The meetings feature educational speakers and programs, socializing, and general Club business. Babes in arms are welcome. Snacks are provided by the playgroups on a rotational basis.

DUES

New members are required to pay an initiation fee of \$10 and the annual membership fee or less depending on joining date. (See chart below). The annual membership fee covers September through August. Invoices for future membership renewal fees are mailed in early August and are due September 1st each year thereafter. A \$10 late fee is required for payments received after the due date. RPCMC supports a tier membership policy that allows for compensation in the form of a discounted rate to participating members.
